Dear Parents/Carers

RE: ADDITIONAL REVISION SESSIONS

Here at the Gateway Academy, we pride ourselves on doing the best for our students and doing everything we possibly can to ensure that they leave school with the best outcomes. We know that students who have the best results they possibly can at the end of Year 11, will have more chances, choices and opportunities available to them throughout their lives. Our additional revision sessions and holiday schools have proved time and time again that students who attend them significantly improve their final grades and outcomes.

As well as ALPS and Alumni Tutoring, an additional offer we would now like to propose are specialist revision sessions outside of the normal school day. Please see the chart below:
