

WELCOME

A message from the Head of School

Mrs G McLaughlin

I want to take this opportunity to thank parents/carers, students and staff for a brilliant term. Sometimes it is nice just to reflect on what a great community we have that are coming together to make The Gateway Academy a terrific place to work in every day.

To work with our students every day is an absolute pleasure and I am really looking forward to the Spring Term.

I have been in awe of how many students are now taking the lead in events across our Academy including Cultural Day, Black History Month, Peer Mentoring, Ecowarriors and many, many more.

This was always my aspiration for The Gateway Academy that students would lead the way and push us to 'continue to improve upon our best'; ultimately it is our students that determine the Academy we are. I am incredibly proud of them all.

Wishing you and your family a wonderful break and a heartfelt thanks for your support.

Kind regards,

Grainne McLaughlin

CELEBRATION OF THE ARTS

This term the Gateway Academy Arts Team has offered a wide variety of creative opportunities to students across the GLC. Following on from last year's success, Kinetica Bloco are now offering drumming and steel pan workshops on Tuesday evenings open to all GLC students. Earlier this month Trailblazer theatre company Complete Commedia visited Year 9 students and extra-curricular clubs and peripatetic lessons have been running weekly in Dance, Music and Art. Our talented Year 11 dance students have been developing excellent leadership skills teaching a Monday afternoon dance club to students from the Gateway Primary Free School and Lansdowne Primary Academy. In drama, Year 9 students enjoyed performing to Year 5 and 6 students from Pioneer, Lansdowne, Herringham and The Free School. Our Head of Arts, Jenny Hill has this week begun the first of the tailored clay workshops offered in the Trailblazer catalogue to visiting schools and Graffiti and sculpture workshops are planned for the new year for Gateway Art students in years 9-11.

Whilst all this has been happening, behind the scenes, teachers and a very dedicated team of Gateway students from all year groups have been organising costumes, designing lighting, programmes and posters, learning lines and practising duets all for our incredible production, 'We Will Rock You!', the first Gateway Academy production in over 3 years. A performance of this size requires hours of organisation and rehearsing from all those involved (over 100 students, teachers and staff) and we are extremely proud and thankful to all those involved. A massive thank you to all those who have attended this week and we hope you all enjoyed the show as much as we enjoyed making it! Extra special thanks go to the Finance team, Site Team, Sonia Humphries and the reprographics Team, Claire Brooks, Louise Smith, Billy Lee, Billy Lovelock, Chris Way and Alfie Debono.

YEAR GROUP NEWS....

YEAR 7

Mr M Scott

It has been the total pleasure of Myself and Miss Uren to support you all during you're first term with us at The Gateway Academy. The overall attitude form you all and your drive to get into school has shown no bounds. You are a credit to us, you're families and yourselves. Take a moment to think about what you have learnt this term, the new friendships you have made and the hurdles you may have overcome. You have worked tirelessly to get yourselves into School and even during the snowy days and icy conditions you made it in to School to tackle you're learning head on. I applaud you for this.

You have all worked so hard. Many of you are now proud badge owners and have excelled in embodying what it means to be a member of The Gateway Academy. We have a huge number of winners for Resilience, Responsibility, compassion and Aspiration,

It was lovely to see so many of you getting you're rewards in assembly today and very well deserved they were too. A special mention has to go to Abaan Mohammed. Abaan was our winner of Student of the term for year 7 due to his drive to succeed and the outstanding attendance he has achieved.

While we were robbed in the end of term celebration assembly, I hope it has given you an idea of what is to come at Easter. We will go again, and we will win.

It has been a fantastic first term at the gateway Academy for our wonderful year 7's and each and every one of you should be proud of what you have achieved and excited about the challenges that the new year holds.

Have a wonderful Christmas and a happy new year.

See you all in January, Mr Scott & Mrs Uren

YEAR 8

Miss B Mead

Year 8's, what a fantastic first term!!!! It has been wonderful to see all of the amazing things you have achieved over the last 13 weeks.

This week we held a big Year 8 celebration assembly, where over 60 students won prizes for their continuous effort, hard work, achievements and consistently showing the schools core values. It was brilliant to be able to celebrate these students and highlight the hard work they continuously are putting in. We also had 34 year 8 students invited to attend the Christmas rewards trip to Thameside Theatre's pantomime- Beauty and the Beast. Students had a fantastic time at this event and we look forward to being able to take more for you to our future rewards trips. Last week we held our annual Christmas dinner and Christmas jumper day, so many students joined in and wore their festive jumpers and celebrated all together as a year group with Christmas dinner and Karaoke.

In the last week of term we had our whole school production of We Will Rock You, watching our students on stage together and seeing how confidently the year 8's performed was just brilliant. A massive shout out to Augustine who stepped in last minute and took over a main role in the production with such ease and confidence with singing, dancing, acting and learning all of his lines in just 1 week.

Finally, for the first time in over 3 years we were able to celebrate in a Christmas whole school assembly this week. Students were invited into the sports hall to celebrate in true Gateway fashion! With performances, challenges and lots of prizes won! Year 8 came first place in the wrapping competition, tied 2nd place in the chocolate eating competition and after a very close finish 2nd place overall, I know during the next big assembly we will be going for 1st place!

Keep up the great work year 8. I hope you all have a wonderful Christmas and a very happy new year. I will see you all in 2023!!!

Miss Mead

TRAILBLAZER

Jenny Hill worked with Harris Academy Ocken-don with 25 students and staff for ceramic training through Trailblazer. The day was extremely successful and outcomes for the Harris students were very strong. Harris Academy returned to us with more students after attending last year, and this is one of 5 participating schools in Thurrock that have signed up for our course.

CULTURE DAY

“What an amazing day” Students from the Academy’s Leadership team organised a Culture Day.

Supported by staff, the day celebrated the range of students’ and staff’s different cultures across the Academy.

There were traditional foods from countries in Africa, Romania and Ireland served as well as many other cuisines. Students wore traditional dress to School and they looked absolutely amazing.

PSHE and PAD lessons focused on Culture Day and traditional music played in the Canteen.

It was such a pleasure to talk with students across the Academy about their traditions and family cultures.

Students are already planning a second Culture Day for this Academic year; thank you to everyone involved.
