Dear Parents/Carers

**RE: INFORMATION EVENING – MORE ABLE STUDENTS – MONDAY 17 JULY 2023**

I am delighted to welcome you and your child to an information evening for our More Able cohort of students. The evening will be held in the library here at The Gateway Academy from 6.00 pm on Monday 17 July and should last no longer than 45 minutes. Please enter the Academy via the ramp to main reception.

During our presentation to you, we will be covering the following aspects of your child's education:

- What does it mean to be "more able"?
- How do you know if you have a more able child?
- Why ability alone is not enough.
- How do we identify more able children?
- How to help and support your child outside of school.
- What we will offer at The Gateway Academy from September 2023.

I will also be joined by former more able students of the Academy who have continued their education at Universities across the country; they will talk about their academic journeys as well as sharing their advice on how to secure grades 7+ across all subjects. In addition, we will be giving a £5.00 book token to each child to put towards a book of their choice to encourage some wider reading over the summer holidays.

I hope you will be able to join us at the Academy; places are limited due to space, so there is a limit of two people per family (including your child if they wish to attend). Please could you complete this short Google Form to confirm or decline your attendance <https://forms.gle/A5daDbMPW9bwhsv2A>. If you are unable to attend, I will be emailing out my presentation after the event.

Thank you for your continued support and I look forward to seeing you on Monday 17 July 2023.

Yours sincerely
