Dear Parents/Carers

RE: INFORMATION EVENING – MORE ABLE STUDENTS – TUESDAY 16 SEPTEMBER 2025

I am delighted to welcome you and your child to an information evening for our More Able cohort of students. The evening will be held in the library here at The Gateway Academy from 5.30 pm on Tuesday 16 September and should last no longer than 45 minutes. Please enter the Academy via the ramp to main reception.

If you attended in July, there is no need to attend again, or respond via the Google Form.

During our presentation to you, we will be covering the following aspects of your child's education:

- What does it mean to be "More Able"?
- How do you know if you have a More Able child?
- Why ability alone is not enough.
- How do we identify more able children?
- How to help and support your child outside of school.
- What we will offer at The Gateway Academy during 2025-2026 and beyond.
- Expectations of your child as a More Able student.

I hope you will be able to join us at the Academy; places are limited due to space, so there is a limit of two people per family (including your child if they wish to attend). Please could you complete this short Google Form to confirm or decline your attendance: <https://forms.gle/kzEWjP4KzwOpSsFa8>.

Thank you for your continued support and I look forward to seeing you on Tuesday 16 September.

Yours sincerely

Mr D Zeffie
