Dear Parents and Carers

**SECURING GRADES 7+
FOCUSED SUPPORT, EXCEPTIONAL OUTCOMES**

I am writing to inform you that your child has been selected to take part in a targeted academic support programme designed to help secure grades 7 and above across all subjects.

This programme forms part of the school's ongoing commitment to high academic expectations and to ensuring that students with strong potential are given the structure, challenge and support required to achieve at the highest level.

The sessions will run fortnightly on a Tuesday, beginning on Tuesday 13 January, from 3.00 pm to 4.00 pm.

- Year 10 students will attend sessions in Room 239.
- Year 9 students will attend sessions in Room 237.

The focus of these sessions will be twofold. Firstly, students will be supported to develop effective revision strategies and preparation techniques to ensure they are well equipped for assessments and examinations. Secondly, the sessions will provide targeted support in key subject areas identified as needing further improvement, allowing students to address gaps in understanding and refine exam technique.

Attendance at these sessions is compulsory and is an important opportunity for students to further develop their academic skills, resilience and independence as learners. We expect students to attend consistently in order to gain the maximum benefit from this programme.

We appreciate your continued support in reinforcing the importance of high expectations and commitment to learning at home.

Should you have any questions about the programme, please do not hesitate to contact me on telephone number 01375 489000 or via email at david.zeffie@theglc.org.uk.

Yours sincerely

Mr D Zeffie
