Dear Parents and Carers

**SECURING GRADES 7+
FOCUSED SUPPORT, EXCEPTIONAL OUTCOMES**

As part of our ongoing commitment to academic excellence, we are continuing our targeted intervention programme designed to support students in securing the highest grades at GCSE, particularly grades 7 and above.

Your child has been identified as having strong potential to achieve at this level. At present, however, they are not yet achieving in line with their ability, particularly in Mathematics and / or English. This programme will provide focused support to help them close this gap and convert their potential into top outcomes.

Sessions will take place weekly, every Tuesday after school, beginning on Tuesday 14 April 2026 and will run from 3:00–4:00pm in Room 239. These sessions will be added to your child's timetable and attendance is, therefore, expected. Alternative arrangements will need to be made for your child's journey home from the Academy on this day.

During these sessions, students will develop effective revision strategies, focus on key areas for improvement identified through assessment and strengthen their exam technique and confidence in core subjects.

These sessions are designed to be purposeful and impactful, ensuring students are well-prepared to meet the demands of the highest GCSE grades.

If you have any questions with regards to this letter, then please do not hesitate to contact me at david.zeffie@theglc.org.uk.

Thank you for your continued support.

Yours sincerely

Mr D Zeffie
