Dear Parent/Carer

RE: ADDITIONAL LEARNING PROGRAMME (ALPs) - YEAR 10 STUDENTS

With effect from Tuesday 14 March 2023, we are reintroducing an Additional Learning Programme of support for our Year 10 students.

The Maths staff are highly committed to supporting your child in preparation for their GCSE's. As a result of our commitment and our focus in ensuring your child receives the best results that will allow them to continue on the next step of their journey, we are asking that you support our ALPS timetable. It is anticipated your child will commit to doing the additional hour of learning every **week 2** from **14.50 - 15.50**. Alternative arrangements will need to be made for your child's journey home from the Academy.

Week 2	Tuesday	Room
	14.50- 15.50	1307

I hope you will agree that this is a fantastic opportunity for your child, which will support them in achieving their full potential. Your child would greatly benefit from attending these fortnightly sessions as it will help to ensure that they secure their targeted grade. I would, therefore, be extremely grateful if this could be reinforced at home together with the need to revise using all the resources that have been given out for this purpose.

If you have any questions or would like further information regarding these sessions, please do not hesitate to contact me here at the Academy on telephone number 01375 489000 or via email at lisa.kelly@theglc.org.uk.

Yours faithfully

Ms L. Kelly
