Dear Parents/Carers

**RE: FEBRUARY SCHOOL RECOVERY CURRICULUM PROGRAMME – YEARS. 9 and 10, 13/14/15 February**

We have been working tirelessly to ensure our students make rapid progress. To continue to take advantage of this, we would like to maximise learning through the offer of February Holiday School where our aim is to provide ambitious, challenging activities in order to rapidly improve attainment and support your child’s wellbeing. Data has shown that when students attend Holiday Schools, their progress is improved next assessment on average.

We are delighted to offer your child a place on our engaging February Holiday School Curriculum Programme. This intensive learning programme will focus on English, Maths and Science. These sessions will have a practical approach to learning in a fun and safe environment and practical Science experiments will take place alongside the theory. Your child will also be offered the option to attend a trip on Wednesday 15 February, to Stubbers Activity Centre for free.

These events will occur between Monday 13 and Wednesday 15 February 2023, 9.00 am and 1:30 pm and an example of the structure of the programme is as follows:

Students will also receive a free pencil case pre-filled with stationary, an English revision guide or Science flashcards and lunch every day will be free for all students. Please note, your child **does not** need to wear school uniform during this week but should wear comfortable, appropriate clothing.

I am sure that you will agree that this is a fantastic opportunity for your child and would ask that you encourage them to attend every day in order to reach and exceed their full potential.
