Dear Parents/Carers

It gives me great pleasure to invite you to attend an immersive family learning event on Tuesday 07 November 2023, starting at 4:30 pm and finishing at 6.30 pm here at The Gateway Academy. This event is for the whole family. Parents, carers and students at The Gateway Academy will take part in immersive learning activities focusing on English, Maths and Science and there will be a revision marketplace where you will be able to collect free resources and useful tips to support your child with revision at home.

The benefits of attending this evening are as follows:

- You will be provided with **key information on how to raise achievement and support your child** academically.
- You will be provided with key information on how to **support your child's mental health and wellbeing** in general but also specifically during assessment periods.
- You will be allowed to select **one key resources for free** to help your child. There will include English workbooks, Maths resources, reading books, pre-filled pencil cases, blank flash cards etc. **PLEASE NOTE:** These resources will only be available on the night while stocks last and unfortunately, will not be offered at any other time.
- You will have an opportunity to **meet and speak** to members of our Leadership, SEN and Student Support Teams in person.
- There will be **free hot food available** from 4:30 pm to 5.00 pm, for you and all of the members of your family (first come, first served - arrive early to avoid disappointment!!) in the Revision Marketplace Café.
