Dear Parent/Carer

RE: ELITE DEVELOPMENT FOOTBALL PROGRAMME FOR GIRLS

I am pleased to advise you that your child has been selected to be a part of our new football programme which will be running throughout the academic year.

The programme is designed to help our most gifted and talented footballers to excel within the game and hopefully push them into making a career post their academy days.

Their new school schedule will require them being taken out of some lessons to part take in training that has been allocated around their school timetable. This schedule has been shared with you so please have a look at this so that you are aware of what your child will be doing.

There will be enrichment opportunities for the girls to visit professional football academies, external tournaments, scouting opportunities, guest speakers and much more.

Being part of these programmes comes with high standards and expectations. Each student is required to have regular and punctual attendance, catch up with work missed from lessons they are taken out of and produce a level of behaviour that is in accordance with The Gateway Academy's philosophy and values. These students will be ambassadors of the Academy and will be required to lead by example. Failure to do so will put their place on this programme at risk.

This is an exciting time for women's football and being able to offer this programme helps make our Academy unique to others.

I am sure that you will agree that this is a fantastic opportunity for your daughter and I look forward to building a successful relationship with them. If you would like to discuss this letter in further detail, or have any questions in relation to the Elite Development Football Programme for Girls, then please do not hesitate to contact me on telephone number 01375 489005 or via email at munya.kamutero@theglc.org.uk.

Yours sincerely
