Dear Parent/Carer

**Re: BTEC PERIPATETIC MUSIC LESSONS- AUTUMN TERM 2022**

As part of the BTEC Music course at The Gateway Academy, your child has peripatetic music lessons where they will be learning how to play the keyboard, piano, guitar, bass, woodwind, and drum or alternatively they will have vocal lessons, these lessons are funded by the Gateway Academy.

It is vital that they attend these lessons to support their musicianship component of the course. Their timetable is available within the music department and they are also displayed on the Music noticeboard.

I would like to make you aware that the cost of these lessons range from £50.00 to £100.00 per term and that by the end of the Autumn Term 2022, your child would have received ten lessons.

I am sure that you will agree that the peripatetic music lessons are a fantastic opportunity which also form part of the BTEC Music course that your child is currently undertaking. I would, therefore, appreciate your continued support in ensuring that your child attends their lessons for the remainder of the Autumn Term.

If you have any questions please do not hesitate to contact me on 01375 489000 or email me on [madeline.christy@theglc.org.uk](mailto:madeline.christy@theglc.org.uk)

Thank you for your continued assistance in this matter.

Yours sincerely

**Miss M Christy**  
**Music Teacher**
