

16 January 2024

Dear Parent/Carer

RE: TRIP TO THE CREATIVE TECH FESTIVAL – GREENTECH – THURSDAY 08 FEBRUARY 2024

I am delighted to inform you that your child has been chosen to go on a Science Enrichment trip to Essex Ford, Dunton on **Thursday 08 February 2024**.

Creative Techfest have teamed up with STEM Learning and STEMPOINT to bring you a one-day summit to bring together local and national partners from across the education, research and the wider STEM sectors to enhance understanding of the science and implications of climate change. It will focus on what possible solutions there are and new future technologies that can help.

We will be travelling by minibus to Essex Ford, Dunton, leaving the Academy at **08.45 am** and returning to the Academy at approximately **4.00 pm** (traffic permitting). Alternative arrangements will need to be made for your child's journey home from the Academy on this day. Students **must** bring with them a packed lunch and a bottle of water. Students entitled to free school meals will have a lunch provided for them and this will be collected for them on the day. Students are required to wear school uniform.

I am sure that you will agree that this is an exciting opportunity for your child and ask that you complete the reply slip below and return this to **Mrs Fuller in the Careers Office by Thursday 25 January 2024**. Please note that we have only been allocated 10 tickets for this event and these will be allocated on a first come, first served basis. Students who do not complete and return the consent form will not be allowed to take part in this visit. If you have any questions or comments regarding this trip to the Creative Tech Fest, please do not hesitate to contact Mrs Fuller via email at anna.fuller@theglc.org.uk. Details of this trip will also be added to the Academy website.

Yours sincerely

Mrs A Fuller
CAREERS COORDINATOR
